

GAZTEROCK 2026

LETRAS

1. BIKINI KILL – REBEL GIRL

That girl thinks she's the queen of the neighborhood
She's got the hottest trike in town
That girl, she holds her head up so high
I think I wanna be her best friend, yeah

Rebel girl, rebel girl
Rebel girl you are the queen of my world
Rebel girl, rebel girl
I think I wanna take you home
I wanna try on your clothes, uh

When she talks, I hear the revolution
In her hips, there's revolution
When she walks, the revolution's coming
In her kiss, I taste the revolution

Rebel girl, rebel girl
Rebel girl you are the queen of my world
Rebel girl, rebel girl
I know I wanna take you home
I wanna try on your clothes, uh

That girl thinks she's the queen of the neighborhood
I got news for you, she is!
They say she's a dyke, but I know
She is my best friend, yeah

Rebel girl, rebel girl
Rebel girl you are the queen of my world
Rebel girl, rebel girl
I know I wanna take you home
I wanna try on your clothes

Love you like a sister always
Soul sister, rebel girl
Come and be my best friend
Will you, rebel girl?
I really like you
I really wanna be your best friend
Be my rebel girl

2. GHOST – IF YOU HAVE GHOSTS

"If You Have Ghosts"
(originally by Roky Erickson)

If you have ghosts, you have everything
If you have ghosts, you have everything
You can say anything you want
And you can do anything you want to do
If you have ghosts, you have everything

One never does that
One never does that
You can call it surprise, there it is
And a part of it is me
One never does that

In the night I am real
In the night I am real
The moon to the left is a part of my thoughts
And a part of me is me
Forever is the wind
In the night I am real

I don't want my fangs too long
I don't want my fangs too long
The moon to the left is a part of my thoughts
And a part of me is me
Forever is the wind
I don't want my fangs too long

If you have ghosts, you have everything
If you have ghosts, you have everything
If you have ghosts, you have everything
If you have ghosts, you have everything

3. L7 – PRETEND WE'RE DEAD

What's up with what's going down
In every city, in every town
Cramping styles is the plan
They've got us in the palm of every hand

When we pretend that we're dead
When we pretend that we're dead
They can't hear a word we've said
When we pretend that we're dead

Come on, come on, come on, come on
Come on, come on, come on, come on
Come on, come on, come on, come on
Come on, come on, come on come on

Turn the tables with our unity
They neither moral nor majority
Wake up and smell the coffee
Or just say no to individuality

When we pretend that we're dead (pretend that we're dead)
When we pretend that we're dead (pretend that we're dead)
They can't hear a word we've said (pretend that we're dead)
When we pretend that we're dead (pretend that we're dead)

Come on, come on, come on, come on
Come on, come on, come on, come on
Come on, come on, come on, come on
Come on, come on, come on come on

When we pretend that we're dead (pretend that we're dead)
When we pretend that we're dead (pretend that we're dead)
They can't hear a word we've said (pretend that we're dead)
When we pretend that we're dead (pretend that we're dead)

Come on, come on, come on, come on
Dead (pretend that we're dead)
Dead (come on, come on, come on, come on)
Dead (pretend that we're dead)
Dead (come on, come on, come on, come on)
Dead (pretend that we're dead)
Dead (come on, come on, come on, come on)

4. SOCIAL DISTORTION – DON'T DRAG ME DOWN

Children are taught to hate, parents just couldn't wait
Some are rich and some are poor, others will just suffer more
Have you ever been ashamed and felt society try to keep you down?
I begin to watch things change and see them turn around

Turn around, they'll try to keep you down
Turn around, Turn around
Don't drag me down

Ignorance like a gun in hand, reach out to the promised land
Your history books are full of lies, media-blitz gonna dry your eyes
Have you ever been afraid, and felt society try to keep you down?
I begin to watch things change see them turn around

Turn around, they'll try to keep you down
Turn around, Turn around
Don't drag me down

Ignorance like a gun in hand
Reach out to the promised land
Your history books are full of lies,
Media -blitz gonna dry your eyes
You're eighteen want to be a man
Your granddaddy's in the Ku Klux Klan
Taking two steps forward
And four steps back
Gonna go to the White House
And paint it black

Turn around, they'll try to keep you down
Turn around, Turn around
Don't drag me down

Come on!

6. THE DONNAS - STRUTTER

I know a thing or two about her
I know she'll only make you cry
She'll let you walk the street beside her
But when she wants she'll pass you by

Everybody says she's lookin' good
And the lady knows it's understood
Strutter

She wears her satins like a lady
She gets her way just like a child
You take her home and she says "Maybe, baby"
She takes you down and drives you wild

Everybody says she's lookin' good
And the lady knows it's understood
Strutter

I know a thing or two about her
I know she'll only make you cry
She'll let you walk the street beside her
But when she wants, she'll pass you by

Everybody says she's lookin' good
And the lady knows it's understood
Strutter
Strutter
Strutter

7. THE CRANBERRIES - ZOMBIE

Another head hangs lowly
Child is slowly taken
And the violence caused such silence
Who are we mistaking?
But, you see it's not me
It's not my family
In your head, in your head
They are fighting

With their tanks and their bombs
And their bombs and their guns
In your head in your head they are crying

In your head
In your head
Zombie, zombie, zombie, ei, ei
What's in your head?
In your head
Zombie, zombie, zombie ei, ei, ei, oh do do do do do do do do

Another mother's breaking
Heart is taking over
When the violence causes silence
We must be mistaken

It's the same old thing since 1916
In your head, in your head
They're still fighting
With their tanks and their bombs
And their bombs and their guns
In your head, in your head they are dying

In your head
In your head
Zombie, zombie, zombie, ei, ei
What's in your head?
In your head
Zombie, zombie, zombie ei, ei, ei, oh oh oh oh oh oh oh oh oh ei ei oh

8. TURBONEGRO – ALL YOUR FRIENDS ARE DEAD

Where are your friends?
Where are your friends?
Where are your friends, man?
What? What? Where are my friends?

All my friends are dead
All my friends are dead
They got kicked in the head
All my friends are dead

All my friends are dead
All my friends are dead
They got smacked in the head
All my friends are dead

I always knew that they would end up like today
They bought the bullet and they
Paid with handgrenades

Hey!
Hey!
Hey!

All my dreams were lies
All my dreams were lies
Nightmares in disguise
All my dreams were lies

All my friends are dead
All my friends are dead
They got dragged out of bed
Now they're buried and they're dead

I always knew that they would end up like today
They...

10. JOAN JETT – I LOVE ROCK AND ROLL

I saw him dancin' there by the record machine
I knew he must a been about seventeen
The beat was goin' strong
Playin' my favorite song
An' I could tell it wouldn't be long
Till he was with me, yeah me,
An' I could tell it wouldn't be long
Till he was with me, yeah me, singin'

I love rock n' roll
So put another dime in the jukebox, baby
I love rock n' roll
So come an' take your time an' dance with me
He smiled so I got up and' asked for his name
That don't matter, he said,
'Cause it's all the same
Said can I take you home where we can be alone
An' next we were movin' on
He was with me, yeah me
Next we were movin' on
He was with me, yeah me singin'

I love rock n' roll
So put another dime in the jukebox, baby
I love rock n' roll
So come an' take your time an' dance with me
Said can I take you home where we can be alone
Next we're movin' on
He was with me, yeah me
And we'll be movin' on
An' singin' that same old song
Yeah with me, singin'

I love rock n' roll
So put another dime in the jukebox, baby
I love rock n' roll
So come an' take your time an' dance with me

I love rock n' roll
So put another dime in the jukebox, baby
I love rock n' roll
So come an' take your time an' dance with

I love rock n' roll
So put another dime in the jukebox, baby

I love rock n' roll
So come an' take your time an' dance with

I love rock n' roll
So put another dime in the jukebox, baby
I love rock n' roll
So come an' take your time an' dance with

I love rock n' roll
So put another dime in the jukebox, baby
I love rock n' roll
So come an' take your time an' dance with me

11. THE BLACK KEYS – HARD ROW

If you wanna go and leave your man
Go on, I'll understand
But then the night gets dark, all is still
Pray for me, I know you will
Hard row to hoe all by yourself

You hit the city, it swallow you whole
You got no friends darlin', to satisfy your soul
And then the sidewalk ends, lights all red,
You say to yourself, you're better off dead
Hard row to hoe all by yourself

Walk out on me, walk out on him
You need no man to do you in
But if the night gets dark, all is still
I'll pray for you, you know I will
Hard row to hoe all by yourself
All by yourself
All by yourself
All by yourself
All by yourself

12. MISFITS – WHERE EAGLES DARE

We walk the streets at night
We go where eagles dare
They pick up every movement
They pick up every loser
With jaded eyes and features
You think they really care

I ain't no goddamn son of a bitch
You better think about it baby
I ain't no goddamn son of a bitch
You better think about it baby, babe

An omelet of disease awaits your noontime meal
Her mouth of germicide seducing all your glands

I ain't no goddamn son of a bitch
You better think about it baby
I ain't no goddamn son of a bitch
You better think about it baby, babe

Let's test your threshold of pain
Let's see how long you last
That's happened in your rape
On bosoms of your past

With jaded eyes and features
You think they really care
Let's go where eagles dare
We'll go where eagles dare

I ain't no goddamn son of a bitch
You better think about it baby
I ain't no goddamn son of a bitch
You better think about it baby
I ain't no goddamn son of a bitch
You better think about it baby
I ain't no goddamn son of a bitch
You better think about it baby, hey

13. THE BREEDERS - CANNONBALL

Check check check
One two

Spitting in a wishing well
Blown to hell crash
I'm the last splash

I know you little libertine
I know you're a real coccoo

Want you coccoo cannonball
Want you coccoo cannonball
In the shade, in the shade
In the shade, in the shade

I know you little libertine
I know you're a cannonball

I'll be your whatever you want
The bong in this reggae song

In the shade, in the shade
Want you coccoo cannonball
Want you coccoo cannonball

Spitting in a wishing well
Blown to hell
Crash
I'm the last splash

I'll be your whatever you want
The bong in this reggae song

Want you coccoo cannonball
Want you coccoo cannonball
In the shade, in the shade
In the shade, in the shade

14. THE BEATLES – TWIST AND SHOUT

Well, shake it up baby now
Twist and shout
Come on, come on, come, come on baby now
Come on and work it on out
Well, work it on out, honey
You know you look so good
You know you got me goin' now
Just like I know you would

Well, shake it up baby now
Twist and shout
Come on, come on, come, come on baby now
Come on and work it on out
You know you twist, little girl
You know you twist so fine
Come on and twist a little closer now
And let me know that you're mine, woo

Ah, ah, ah, ah, wow
Baby now
Twist and shout
Come on, come on, come, come on baby now
Come on and work it on out
You know...

15. DANKO JONES - LOVERCALL

I love it when it goes like...BOOM!

Now I might not be the flashiest dresser in the room
And I might not know how to look a girl in the eye
I might not have the right pick-up lines
But I'll tell you what I got
You see when I was growing up
I got the inside scoop
I used to watch all the older fellows work down the block
That's right when they used to work I used to watch and when I watched I'd
learn the lovercall, baby

If you wanna do it do it right
Up and down side to side
Baby we can do it for a night
Don't hold me back

Now you gotta look sharp fellows
Oooh and you gotta act right, you see
No woman in her right mind is gonna waste her time
If you ain't on time
Oh, oh, oh, oh, let's not talk about how I know that
I'm just here to pass down what I believe
You see when I was growing up I got the inside scoop
I used to watch all the older fellas work down the block
That's right, when they used to work I used to watch and when I watched I'd
learn the lovercall, baby

If you wanna do it do it right
Lick it up side to side
Baby we can do it for a night
Don't hold me back
Hold me back

Yeah
That's right, I live it with the lovercall, baby
Do you like the lovercall?
I love the lovercall

16. LOS ROCKIN' DEVILS – PERRO LANUDO

Cada vez que yo voy a tu casa por ti,
se me acerca tu perro, y viene a mi
Ese perro lanudo que me hace enojar,
le digo baja tus patas que me das mucha lata,
baja tus patas que me das mucha lata

Quítate ya de aquí perro lanudo, déjame estar solo con mi novia,
si te quitas de aquí te doy un hueso, si
Quítate ya de aquí perro lanudo, déjame estar solo con mi novia,
si te quitas de aquí te doy un hueso, si

Ahora el perro lanudo comienza a ladrar, le digo que se calle,
y ladra mas, oye perro lanudo déjame en paz
Le digo, baja tus patas que me das mucha lata,
baja tus patas que me das mucha lata
Quítate ya de aquí perro lanudo, déjame estar, solo con mi novia,
si te quitas de aquí te doy un hueso, si
Quítate ya de aquí perro lanudo, déjame estar, solo con mi novia,
si te quitas de aquí te doy un hueso, si

...Baja tus patas que me das mucha lata,
Quítate ya de aquí perro lanudo, déjame estar, solo con mi novia,
si te quitas de aquí te doy un hueso, si
Quítate ya de aquí perro lanudo, déjame estar, solo con mi novia,
si te quitas de aquí te doy un hueso, si

... Quítate ya de aquí perro lanudo, déjame estar,
solo con mi novia, si te quitas de aquí te doy un hueso, si
... Quítate ya de aquí perro lanudo, déjame estar,
solo con mi novia, si te quitas de aquí te doy un hueso, si

17. NANCY SINATRA – THESE BOOTS ARE MADE FOR WALKING

You keep saying you got something for me
Something you call love but confess
You've been a'messin' where you shouldn't 've been a'messin'
And now someone else is getting all your best

These boots are made for walking
And that's just what they'll do
One of these days these boots are gonna walk all over you

You keep lyin' when you oughta be truthin'
You keep losing when you oughta not bet
You keep samin' when you oughta be a'changin'
Now what's right is right but you ain't been right yet

These boots are made for walking
And that's just what they'll do
One of these days these boots are gonna walk all over you

You keep playing where you shouldn't be playing
And you keep thinking that you'll never get burnt (HAH)
I just found me a brand new box of matches (YEAH)
And what he knows you ain't had time to learn
These boots are made for walking,
And that's just what they'll do
One of these days these boots are gonna walk all over you

Are you ready, boots? Start walkin'

18. THE RONETTES – BE MY BABY

The night we met I knew I needed you so
And if I had the chance I'd never let you go
So won't you say you love me
I'll make you so proud of me
We'll make 'em turn their heads every place we go

So won't you, please, be my, be my baby
Be my little baby, my one and only baby
Say you'll be my darlin', be my, be my baby
Be my baby now, my one and only baby
Wha oh oh oh

I'll make you happy, baby, just wait and see
For every kiss you give me I'll give you three
Oh, since the day I saw you
I have been waiting for you
You know I will adore you 'til eternity

So won't you, please, be my, be my baby
Be my little baby, my one and only baby
Say you'll be my darlin', be my, be my baby
Be my baby now, my one and only baby
Wha oh oh oh oh

So come on and, please, be my, be my baby
Be my little baby, my one and only baby
Say you'll be my darlin', be my, be my baby
Be my baby now, my one and only baby
Wha oh oh oh

Be my, be my baby, be my little baby
My one and only baby, oh oh
Be my, be my baby, oh
My one and only baby, wha oh oh oh oh
Be my, be my baby, oh
My one and only baby, oh
Be my, be my baby, oh
Be my baby now

19. BLINK 182 – ALL THE SMALL THINGS

All the small things
True care truth brings
I'll take one lift
Your ride best trip
Always I know
You'll be at my show
Watching, waiting, commiserating

Say it ain't so, I will not go
Turn the lights off, carry me home
Na, na, na, na
Na, na, na, na, na, na, na, na, na, na, na

Late night, come home
Work sucks, I know
She left me roses by the stairs
Surprises let me know she cares

Say it ain't so, I will not go
Turn the lights off, carry me home
Na, na, na, na
Na, na, na, na, na, na, na, na, na, na, na

Say it ain't so, I will not go
Turn the lights off, carry me home
Keep your head still, I'll be your thrill
The night will go on, my little windmill

Say it ain't so, I will not go
Turn the lights off, carry me home
Keep your head still, I'll be your thrill
The night will go on
The night will go on
My little windmill

20. NIRVANA – TERRITORIAL PISSINGS

When I was an alien
Cultures weren't opinions

Gotta find a way
To find a way
When I'm there
Gotta find a way
A better way
I had better wait

Never met a wise man
If so it's a woman

Gotta find a way
To find a way
When I'm there
Gotta find a way
A better way
I had better wait
Gotta find a way
To find a way
When I'm there
Gotta find a way
A better way
I had better wait

Just because you're paranoid
Don't mean they're not after you

Gotta find a way
To find a way
When I'm there
Gotta find a way
A better way
Gotta find a way
To find a way
When I'm there
Gotta find a way
A better way
I had better wait
Gotta find a way
To find a way
When I'm there
Gotta find a way
A better way
I had better wait
Gotta find a way
To find a way

When I'm there
Gotta find a way
A better way
I had better wait

21. THE OFFSPRING – SELF ESTEEM

I wrote her off for the tenth time today
And practiced all the things I would say
But she came over, I lost my nerve
I took her back and made her dessert

Now I know I'm being used
That's ok man cause I like the abuse
I Know she's playin with me
That's ok cause I got no self-esteem

Oh way yeah yeah yeah
Oh yeah yeah
Oh way yeah yeah yeah
Oh yeah yeah

We make plans to go out at night
I wait til 2 then I turn out the light
This rejection's got me so low
If she keeps it up I just might tell her so

Oh way yeah yeah yeah
Oh yeah yeah
Oh way yeah yeah yeah
Oh yeah yeah

When she's sayin ah that she wants only me
Than I wonder why she sleeps with my friends
When she's sayin ah that I'm like a disease
Then I wonder how much more I can spend

Well I guess I should stick up for myself
But I really think its better this way
The more you suffer
The more it shows you really care right yeah

Now I'll relate this little bit
That happens more than I'd like to admit
Late at night she knocks on my door
She's drunk again and lookin to score

Now I know I should say no
But that's kind of hard when she's ready to go
I may be dumb, but I'm not a dweeb
I'm just a sucker with no self esteem

Oh way yeah yeah yeah
Oh yeah yeah
Oh way yeah yeah yeah
Oh yeah yeah

When she's sayin ah that she wants only me
Than I wonder why she sleeps with my friends
When she's sayin ah that I'm like a disease
Then I wonder how much more I can spend
Well I guess I should stick up for myself
But I really think its better this way
The more you suffer
The more it shows you really care right yeah

22. NEIL YOUNG – LOVE AND ONLY LOVE

Long ago in the book of old,
Before the chapter
where dreams unfold
A battle raged
on the open page,
Love was a winner there
overcoming hate
Like a little girl
who couldn't wait.

Love and only love
will endure
Hate is everything
you think it is
Love and only love
will break it down
Love and only love,
will break it down
Break it down, break it down.

Tomorrow is a long long time
if you're a memory
Trying to find peace of mind
Spirit come back to me,
Give me strength and set me free
Let me hear the magic in my heart.

Love and only love
will endure
Hate is everything
you think it is
Love and only love
will break it down
Love and only love,
will break it down
Break it down, break it down.

Long ago in the book of old,
Before the chapter
where dreams unfold
A battle raged
on the open page,
Love was a winner there
overcoming hate
Like a little girl

who couldn't wait.

Love and only love
will endure
Hate is everything
you think it is
Love and only love
will break it down
Love and only love.

23. AC/DC – SHOT DOWN IN FLAMES

Out on the town, looking for a woman
Gonna give me good love
Anybody want to hand off me
And give me plenty of
She was standing alone over by the jukebox
Like she's something to sell
I said, baby what's the going price?
She told me to go to hell

Shot down in flames
Shot down in flames
Ain't it a shame
To be shot down in flames

Singles bar, got my eye on a honey
Hanging out everywhere
She might be straight
She might want my money
I really don't care, no

Said, baby, you're driving me crazy
Laid it out on the line
When a guy with a chip on his shoulder said
Toss off buddy she's mine
Oh!

Shot down in flames
Shot down in flames
Ain't it a shame, yea yeah
To be shot down in flames

Hey you Angus, shoot me, shoot
That's nice, woo! Uh! Oh! Oh! Wooooh!

Shot down in flames
Shot down in flames
Ain't it a shame
To be shot down in flames

Oh
Shot

Shot down in flames
Shot down in flames
Ain't it a shame
To be shot down in flames

I don't want the pain
Don't want to be shot down in flames
Ohhh

25. BLUR – SONG 2

Woo-hoo
Woo-hoo
Woo-hoo
Woo-hoo

I got my head checked
By a jumbo jet
It wasn't easy
But nothing is
No

When I feel heavy metal
(Woo-hoo) And I'm pins and I'm needles
(Woo-hoo) Well, I lie and I'm easy
All of the time but I'm never sure why I need you
Pleased to meet you

I got my head done
When I was young
It's not my problem
It's not my problem

When I feel heavy metal
(Woo-hoo) And I'm pins and I'm needles
(Woo-hoo) Well, I lie and I'm easy
All of the time but I'm never sure why I need you
Pleased to meet you

Yeah, yeah
Yeah, yeah
Yeah, yeah
Oh, yeah

26. SEX PISTOLS – ANARCHY IN THE UK

Right now ha, ha, ha, ha, ha
I am an anti-Christ
I am an anarchist
Don't know what I want
But I know how to get it
I want to destroy the passerby

'Cause I want to be anarchy
No dogs body

Anarchy for the U.K.
It's coming sometime and maybe
I give a wrong time, stop a traffic line
Your future dream has sure been seen through

'Cause I want to be anarchy
In the city

How many ways to get what you want
I use the best, I use the rest
I use the N.M.E.
I use anarchy

'Cause I want to be anarchy
Its the only way to be

Is this the MPLA
Or is this the UDA
Or is this the IRA
I thought it was the U.K.
Or just another country
Another council tenancy

I want to be anarchy
And I want to be anarchy
(Oh what a name)
And I want to be an anarchist
(I get pissed, destroy!)

27. RAMONES – BLITZKRIEG BOP

Hey ho, let's go! hey ho, let's go!
Hey ho, let's go! hey ho, let's go!

They're forming in straight line
They're going through a tight wind
The kids are losing their minds
The blitzkrieg bop

They're piling in the back seat
They're generating steam heat
Pulsating to the back beat
The blitzkrieg bop

Hey ho, let's go
Shoot'em in the back now
What they want, I don't know
They're all revved up and ready to go

They're forming in straight line
They're going through a tight wind
The kids are losing their minds
The blitzkrieg bop

They're piling in the back seat
They're generating steam heat
Pulsating to the back beat
The blitzkrieg bop

Hey ho, let's go
Shoot'em in the back now
What they want, I don't know
They're all revved up and ready to go

They're forming in straight line
They're going through a tight wind
The kids are losing their minds
The blitzkrieg bop

They're piling in the back seat
They're generating steam heat
Pulsating to the back beat
The blitzkrieg bop

Hey ho, let's go! hey ho, let's go!
Hey ho, let's go! hey ho, let's go!

28. THE SHANGRI-LAS – REMEMBER WALKING IN THE SAND

Seems like the other day
My baby went away
He went away 'cross the sea
It's been two years or so
Since I saw my baby go
And then this letter came for me

It said that we were through
He found somebody new (who?)
Let me think, let me think
What can I do?

Oh, no
Oh, no
Oh, no, no, no, no, no

walking in the sand
(Remember) walking hand-in-hand
(Remember) the night was so exciting
(Remember) smile was so inviting
(Remember) then he touched my cheek
(Remember) with his fingertips
Softly, softly we'd meet with our lips

Whatever happened to
The boy that I once knew?
The boy who said he'd be true
Oh, what happened to
The life I gave to you
What will I do with it now?

walking in the sand
(Remember) walking hand-in-hand
(Remember) the night was so exciting
(Remember) his smile was so inviting
(Remember) then he touched my cheek
(Remember) with his fingertips
(Remember) softly

29. ESKORBUTO – HISTORIA TRISTE

Pasan los años, pasa tu vida
Pasan los meses, pasan tus días
Pasan las horas, también tus minutos
Este puede ser tu último segundo

Oohhhh, historia triste
Oohhhh, historia histórica
Oohhhh, historia final

Una mañana muy temprano
De tus sueños despertarás
No lo sabrás, ese es tu día
Vas a morir

Oohhhh, historia triste
Oohhhh, historia histórica
Oohhhh, historia final
Oohhhh... historia final

31. QUEENS OF THE STONE AGE – GO WITH THE FLOW

She said "I'll throw myself away,
They're just photos after all"
I can't make you hang around.
I can't wash you off my skin.
Outside the frame, is what we're leaving out
You won't remember anyway
I can go with the flow
But don't say it doesn't matter anymore
I can go with the flow
Do you believe it in your head?
It's so safe to play along
Little soldiers in a row
Falling in and out of love
With something sweet to throw away.
But I want something good to die for
To make it beautiful to live.
I want a new mistake, lose is more than hesitate.
Do you believe it in your head?
I can go with the flow
But don't say it doesn't matter anymore
I can go with the flow
Do you believe it in your head?

32. EAGLES OF DEATH METAL – I ONLY WANT YOU

When I feel like you get too close I put you right down
I never really leave I just slip away
And it's not my purpose to break your spirit
I'm not really interested in what's in your heart
I don't want you to fall in love now so please don't start

I only want you (4x)

I know that it's terribly cruel but then I like it
Because you tried to love me I just can't stay
And I'm not gonna lie just to spare you feelings
'Cause watching you suffer feels much better to me
I'm about to lay destruction on you
I'm not the lover man that you want me to be
I said well...

I only want you (4x)

Now you see once you get too close
I put you right down
I never really leave I just slip away
But it's not my purpose to break your spirit
I'm not really interested in what's in your heart
But now I have to lay destruction on you
I'm not the lover man that you want me to be
I said well...

I only want you (4x)

33. GREEN DAY – AMERICAN IDIOT

Don't wanna be an American idiot
Don't want a nation under the new media
And can you hear the sound of hysteria?
The subliminal mind-fuck America

Welcome to a new kind of tension
All across the alien nation
Where everything isn't meant to be okay
Television dreams of tomorrow
We're not the ones who're meant to follow
For that's enough to argue

Well maybe I'm the faggot America
I'm not a part of a redneck agenda
Now everybody do the propaganda
And sing along to the age of paranoia

Welcome to a new kind of tension
All across the alien nation
Where everything isn't meant to be okay
Television dreams of tomorrow
We're not the ones who're meant to follow
For that's enough to argue

Don't wanna be an American idiot
One nation controlled by the media
Information Age of hysteria
It's calling out to idiot America

Welcome to a new kind of tension
All across the alien nation
Where everything isn't meant to be okay
Television dreams of tomorrow
We're not the ones who're meant to follow
For that's enough to argue

34. DANZIG - MOTHER

Mother

Yeah, can you keep them in the dark for life
Can you hide them from the waiting world
Oh mother

Father

I'm gonna take your daughter out tonight
I'm gonna show her my world
Oh father

Not about to see your light
But if you wanna find hell with me
I can show you what it's
Till you're bleeding

Not about to see your light
And if you wanna find hell with me
I can show you what it's

Mother

Tell your children not to hold my hand
Tell your children not to understand
Oh mother

Father

Do you wanna bang heads with me
Do you wanna feel everything
Oh father

Not about to see your light
And if you wanna find hell with me
I can show you what it's like
Till you're bleeding

Not about to see your light
And if you wanna find hell with me
I can show you what it's
Yeah

Not about to see your light
But if you wanna find hell with me
I can show you what it's like
Till you're bleeding

Not about to see your light
And if you wanna find hell with me
I can show you what it's like

36. JET – ARE YOU GONNA BE MY GIRL

So one, two, three, take my hand and come with me
Because you look so fine
That I really wanna make you mine

I say you look so fine
That I really wanna make you mine

Oh, four, five, six c'mon and get your kicks
Now you don't need that money
When you look like that, do ya honey

Big black boots
Long blonde hair
She's so sweet
With her get back stare

Well I could see
You home with me
But you were with another man, yeah!
I know we
Ain't got much to say
Before I let you get away, yeah!
I said, are you gonna be my girl?

Well, so one, two, three, take my hand and come with me
Because you look so fine

Before I let you get away, yeah!
Uh, be my girl

37. THE WHITE STRIPES – SEVEN NATION ARMY

I'm gonna fight 'em all
A seven nation army couldn't hold me back
They're gonna rip it off
Taking their time right behind my back

And I'm talking to myself at night
Because I can't forget
Back and forth through my mind
Behind a cigarette
And the message coming from my eyes
Says leave it alone

Don't want to hear about it
Every single one's got a story to tell
Everyone knows about it
From the Queen of England to the hounds of hell

And if I catch it coming back my way
I'm gonna serve it to you
And that ain't what you want to hear
But that's what I'll do
And the feeling coming from my bones
Says find a home

I'm going to Wichita
Far from this opera for evermore
I'm gonna work the straw
Make the sweat drip out of every pore
And I'm bleeding, and I'm bleeding, and I'm bleeding
Right before the lord
All the words are gonna bleed from me
And I will sing no more
And the stains coming from my blood
Tell me go back home
